Florida Foulks was like an aunt to me, although we weren't blood-related. She was the aunt to my brother Farrell (one of Cullen/Curly's sons), and she and my mom (Rosie Everett) were great friends.

Mrs. Foulks was so special and so kind and considerate. She will be greatly missed.

Affectionately called Mama, I will forever remember Mrs Florida Foulks. She was truly a woman of God. If she could give you a helping hand, she would. Nothing was out of her reach when it came to her family and extended family. She helped me raise my daughter Tiffany as her own and I will be forever grateful. I love you ma and I will always remember you as my mom. With Love Forever, Francine, Tia and Tiffany.

I have so many memories of hanging out with Carol at Florida's and Rufus house on 85th and Jeffrey. They're just so many great fun times we had that is just hard to pinpoint one. I I truly remember always going to Florida's and eating. There was always goodies. I remember eating cakes. Oh my God I was treated as family. I want to thank you Carol for being my friend and introducing me to your family. I know Florida will truly be missed and I'm sending my love and praying for the strength of the family. I love you guys, Florida you've been a blessing to me and I know to your family but you're with the father now your father. Sending my love... Paulette
