“ Reverend Hargrett was a blessing to our family as I'm sure he was to many others. My family and I have so much history with him through Shiloh MB church, memories that will last a life time! I'm thankful for the blessing to have known such a wonderful soul. I could go on and on... I'm praying for his family and all who loved him. Reverend Hargrett you will be in our hearts forever and truly missed.

“ Family;

I LOVE this man, he was the Best Uncle! Dependable and always giving an encouraging word! When my father passed, his brother Leon, I would call Unc and asked questions; from religion, bible scriptures, world history, just to name a few. He would give PROFOUND answers and spoke them so eloquently. Thank God for Unc stepping in my dad's shoes! Unc was the last of 10 siblings and I'm sure we can all say that he stepped in our parents shoes at one time or another! He has always been around.

The family had the best of times and created precious memories with Unc, especially when he came to Florida to visit. He loved all of us and we were so special to him.

I am so proud to have been placed in his life.

You will be missed Uncle. I love you much!
