“ Turon another brother of a different mother. We grew up in TUCG on the Usher Board and other ministries. We stayed in contact transitioning into adult life. I admired him and how he lived. Moving thru life so effortlessly. Gods grace moving him along the way. Bro, there are no words and I'm sure only God will give us the peace that's needed. This is another one of the moments in my life that i have to Trust God to give us all rest and reassurance in this matter. Forever the coolest dude i know that made me laugh so hard! Rest! See you on the other side!

“ I met Turon right before covid through my friend Talia. I came to chicago from cali for her birthday and Turon took us out. He was such a gentleman and sooo kind. We became friends instantly and always kept in touch. When I was pregnant going through a bit of depression turon sent me a gift to encourage me to keep my head up. He was just so kind like that he always checked on us. I will truly miss Turon he was a great friend. So sad i couldnt make it but My thoughts and prayers go out to his family.

Dear Pat, Chris & the entire family... my heart goes out to you. I am grateful to have you as my neighbors. You are in my prayers. There was that something special Turon graced so many others with. You couldn't help but see it. Although, Turon & I only greeted each other in passing, his demeanor & the peace he carried really stood out! He will be greatly missed!

“ Deacon Angela Taylor-Tukes, I was an Adult Sponsor for Young Adult ministry at TUCC where I met, adopted and fell in love with Turon. He was a other son God had given me to love and pray for. I have some great memories about this young man. He truly blessed my heart as I watched him go from a little to a strong black, hardworking respectable man. I am so proud of my young adults and am grateful God allowed Turon's Spirit and Energy to pass through my life. I loved you then Turon and will continue to love you. I will miss seeing your adventures on Social Media. Rest my son.

My heart is broken. Turon was a Young Adult Usher at Trinity UCC under my sponsorship. Turon was in addition to being a reliable Usher, a favorite of the board, but my special young men. We will miss and love you always. "Ms. Johnson'
