

Mr. Albert Briggs

March 31, 1916 - March 29, 2011

Mr. Albert Briggs was born on March 31, 1916 in Beaumont Texas to Maggie Moore Williams and Howard Briggs. He received an Honorable Discharge from the U.S. Military on October 25, 1945 and worked at the Metropolitan Sanitary District of Greater Chicago as a Lab Technician until his retirement on March 31, 1986. One of his favorite things to do was to cook and he often boasted about the fact that he learned how to cook in the Army. He loved his mother very much and financially purchased her a home in Lake Charles, La and also furnished it completely. Mr. Briggs was often misunderstood, but as one Black College Band's motto says, "Often imitated but never duplicated." He was a very loving and kind person. He will Truly be missed.
