“ Hello:

My name is Janice, I'm Ana's cousin. My mother Ceola and Ana's birth mother are sisters.

Ana and I were very close in our early twenties, but as time went changes took place in both of our lives.

She moved to Germany and I married and moved far South ; therefore we would only keep in touch when an event was going on in the family.

I like to share a funny story about my cousin and I.

Ana was invited to Barbecue by an ex-photographer friend of mine. While at the barbecue she saw a photo that he had taken of me during our time together.

She made a comment about the photo and I guess the girlfriend of my ex made a bad comment about me.

Ana immediately threw her a wolf ticket!

Ana said "that's my cousin, I will kick your.....if you say it again". At that time the person Ana came with grab her and my ex grab

his friend. It was about to go down!

I'm telling this story because blood is thicker than water.

Families might have words with one another, but be aware Outsiders!

Love, tell and enjoy your family and love ones everyday; because tomorrow is not promised to any of us!
