“ In Remembrance of “Shorty”...I’ve known you since you were about ten years old. Your Mom, Ann and I were “besties.” I’ve attended many family gatherings. My most memorable was the day Ann & I took you to Providence St. Mel for an interview and tour of the school ( high school). Dr. Paul Adams told us we could outside. We went a set in the car..and waited...and waited for about 2 hours. Finally we went back in side and asked what happened to you only to find out that you been long gone. You had walked home and was there when we returned. You told Ann that you didn’t want to go to Providence -St. Mel; you wanted to go to Farragut High School...That’s where you went and that’s where you graduated from...Rest In Peace...you will always be missed by Jean Boughton-Brown & Family
