Tribute Wall

EH

“ My deepest condolences to the family. Your loved one was very special to me. We worked together many years and he made it easier for me to do my job. He supported me and the team, encouraged me, and talked me down when I was ready to walk away. Soft-spoken, and laid back, there was no more congenial a person one could work with in a small space. I honor his memory, and will never forget him.

Emmatine Hardwick - February 25 at 01:57 AM
