“ *Angie, you are the only person that I'd allow to meddle about the way I would say my name as a child, it always made us both laugh. I'm going to miss that. I wish I could've had the chance to hear you laugh or crack a joke one more time. Don't worry about the ones you left behind, that just means we have one more garduian angel watching over and keeping us safe. I love you and will miss you always. Oh yeah tell Uncle Pete hey. I am thanking God for the many memories and laughs that we have shared. They were priceless and precious. Perfect peace and strength can be gained through God's vision and divine order. It is his grace and mercy that sustains me daily. I look forward to seeing you in heaven. Until we meet again-I will miss you dearly.

“ *Cherish family*

*Family is important and should be cherished, but we with our busy schedules and hectic lives do not take time to do so until a member is lost. Therefore, live everyday to its fullest; laugh until you cry; and love like God loved us. Take time to start living and stop EXISTING.*
