“ *My cousin, Ardell, used to call my Mom & I weekly to check on us. During those phone visits, we laughed, he always shared encouraging words, and his conversation was nothing less than loving! He loved his children, and those grandbabies, and he also loved & missed his Wife dearly. My cousin could keep a phone hot, okay? He loved to talk, especially about cooking shows, movies, and his grandbabies. And he also discussed from time to time his relationship with the Lord.*

But no matter how long the conversation, he always ended each call by telling my Mom or both of us that he loved us, and he loved his entire family.

Ardell was so much more than a cousin, he was actually a good friend to us! We don't have a choice with which families we are born into, but friends & friendships are ours for the choosing. Ardell, my cousin & friend, you can rest well in heaven now. We love you!

“ *Moe worked with my dad at Pittsburgh Tube for many years. They became really good friends and my brother & I got to know him through the years. He was such a happy, positive & sweet man. He was such a loveable person who was so proud of his daughters & grandchildren. After my dad died we kept in touch & Moe would call and send texts to check up on us kids, never let a bday wish pass. He will be greatly missed by us both. It gives me peace that he was probably greeted by his cherished wife & sharing a few laughs and memories with my dad. My sympathy goes out to his family & friends. May God give you strength during this difficult time. You will be forever in our hearts Moe, we love & will miss you.*
