“ Woke up early with two little people on my brain. I miss my babies!! I can just imagine how much fun and all the things you are learning up there. What I would give to hold those tiny hands and kiss those little cheeks again. Our time together was too short Liam. I should still be having sleepless nights with two defiant toddlers running around. Some days are easier other days are incredibly painful. The three of us miss you both and constantly have you in our thoughts and daily conversations. Mommy loves you both infinity times infinity!!!! Keep my seat warm and continue visiting!! Mommy is picking up the scents and other things you all send!! Until we meet again 🥰🥰🥰🥰🥰🥰 my little angels 🧡🧡.

“ Mommy has been thinking about you constantly today. I've played back the videos and stared at the picture as if I could once again relive the hospital moments. The kangaroo shirt I once held you in hangs in my closet as a distant memory of how physically close we once were. You looked so peaceful sleeping on mommy's chest and those memories I'll forever hold dear. Hope you're taking care of your little sister up there. Mommy misses you both entirely too much. 🥰🥰🥰🥰 My love continues to grow for you both daily here on earth. Until we meet again my little angels 🥰🥰🥰🥰. I LOVE YOU TWO 🥰🥰🥰🥰
