*Condolences to the Deer family and friends.*

*Please accept my deepest and most heartfelt condolences. Barbara was so many things to me: a cherished friend, a dedicated colleague (my CPS- SLP Sister), and a proud Soror.*

*She was truly my "Go-To." No matter how complex the work related question, Barbara had the answer, delivered with the kind of wisdom and patience that only she possessed. I often affectionately called her "Claire Huxtable," because she embodied that same incredible mix of class, intelligence, and effortless grace.*

*Beyond her professional brilliance, Barbara was defined by:*

*1)Her Faith- She carried herself in a truly Godly manner, radiating peace to everyone around her.*

*2)Her Spirit: She was profoundly caring and soft-spoken, yet her presence spoke volumes.*

*3)Her Grace: She was a constant source of inspiration.*

*The world feels a little less bright without her and that smile, but I find comfort knowing that her legacy lives on in the lives she touched and the students she helped. We have truly lost a treasure, but her memory will remain a blessing to us all.*

*With love and prayers,*
