*Barbara was one of the most helpful, committed and caring Sisters-in Christ that I have known. I remember whenever we had fellowship meals at church, she would always say "Stubbs, I'm going to fix you a plate to take home." She would do this whether I asked or not, that was just her caring spirit. She is greatly missed.*

“ *Dear Barbara Ann and her kids, Lamont CeCe, Dawn, and ReRe. My heart goes out to you at the lost of your mother. To her nieces and nephews, her brothers I am so sorry. May the Lord comfort in this time of your sorrow in JESUS NAME. I have some very interesting smiling time memories from when I was a young child under her. adult eye. She took me to the drive in movies. That was cool. We had dance contests... life on 74th place. Goodbye Barbara Ann safe travels to your reward*

“ *I would like to express my love for Sister Barbara because she and my daughter was always gathered together talking and laughing after church services. She had love for my daughter and I really appreciated that very much. The Samuel family will miss you so very much, but one day we will meet again.*

“ *Sis. Sally will be remembered for the loving, kind, hilarious person she was. I'll never forget the many Sundays of coming to church and looking forward to sitting right next to her to be greeted with a pleasant bright smile, a warm loving hug , whatever candy we had no business eating and hilarious commentary during church. I loved this woman and she did a great job at making you feel loved back. Forever she will be cherished and truly missed.*

“ *Sis. Barbara will always be in our heart and memories. On behalf of the Jossell family, she was our riding buddy on many occasions. She always was willing to help out in the food prep at “The Hill”. We sang together in the choir and worked together during VBS. We will miss her laughter and humor, yet we rejoice in knowing that she is with our Savior. May God bless her children and family. Warm Regards!!!*

“ I will always remember the hugs, laughs, sweet moments, text messages, and prayers that I was blessed to share with Sis. Sally over the years. My heart is heavy. We certainly will miss her. But I take great comfort in knowing that she is with our great King Jesus, and she has moved on from labor to reward. Her daughters and the entire family will remain in my thoughts and prayers. I love you all.

“ Ms. Brown as I called her was so sweet! She always smiled & just had such a great spirit. She was an excellent cook, never had short ribs good as hers. She'll truly be missed.

“ *When things weigh heavy on your heart and won't go away fall on your knees and pray.  
When troublesome things are on your mind and want to stay fall on your knees and pray.*

*The Bible tells us that God is for us a refuge and strength during distress*

*If you fall on your knees in prayer God will take care of the rest.*

*When the strains of this life wear you down and get to be more than you can bear*

*God will be there for you*

*If you fall on your knees to him in prayer!*

“ Sis. Sally was always an encouragement to my husband and I. We are saddened by the thought of not seeing her on earth but have confidence that we will see her again. She made sure to say kind words about our walk with the Lord and the rearing of our children. I remember the blue blanket she made when one of our sons was born. She was a hard worker in the church. She'll will be missed. May the Lord comfort her entire family.-Senia Durns(Tony)

“ *I had the pleasure of working with Barbara Sally at City Colleges for nearly 7 years. She was one of the strongest and kindest women I had ever come to know. She was so wise, and a voice of reason when needed most. Her proudest moments were when she would speak of her children, grandchildren, and great grandchildren; they were everything to her. She will be missed dearly. With deepest sympathy and prayers.*

“ *Barbara Sally was a dear friend, my sister-in-Christ and my prayer partner. We sang in the choir together and worked side by side at Vacation Bible school. She was kind, caring and selfless always willing to lend a helping hand. Barbara would often talk about her children and how much they meant to her. She was always there to encourage me and others, especially after my mom passed away. I will always cherish our friendship and will miss her tremendously. I pray that the love she had for her family surrounds you and brings you peace. My prayer is that Gods love will comfort your heart and give you strength during this difficult time.*
