*“ In our hearts her legacy continues to live on,
We'll feel her presence through a certain
song,
Although the pain is more than we can bare,
Take comfort in knowing her spirit is always
there,
So fret no more, let's dry our eyes
For we have yet another Angel to get us through tough times,
She has spread her wings and flown away,
Only to reunite with us on another day.*

We love you !!!!!
