“ *I met Deaconess Beulah Jones at Liberty Academy in Chicago, Illinois, probably over two decades ago. She made a very positive impact on the young people she taught. She was also a dedicated usher at Liberty Temple Full Gospel Church and World Outreach Ministries in Chicago. She was very kind and humble. She is missed. God bless and keep the family. We are praying with you. We mourn with you and look forward to seeing her again in eternity!!*

“ *Education is the most powerful weapon which you can use to change the world.*
Nelson Mandela
My memories of Mrs. Jones was of a thread weaving the change makers together. She did it her way, while fighting for what she believed.
We often forget the struggle of those who paved the way.
