This was just beautiful. Mrs. Bell was one of the kindest, strongest women I've ever met. It was always my pleasure to serve her in any way I could.

“ *I extend my deepest sympathy to the family of Bobbie Jean Bell; The Lord will provide the strength that she extended to everyone with her Love and Kindness. I knew her simply as "Granny" from my dear friend, Regina - such a Sweet Lady she was. Though my time with her was short, she was that kind of person you knew you were Blessed to have known . . . “ Regina and Family,
Words can't begin to express how I felt when I received the call that Granny had made her transition. To be absent from the body means to be present with the Lord. Take pride and pleasure in knowing Granny lived a good quality life and kept all of us straight!
When the Lord calls our loved ones home, He leaves a gift of memories (legacy of love) in exchange. Warm thoughts and fervent prayers are being extended. God is always in your corner at a time like this and so am I. God Bless You!
Rich Blessings,
Dr. Rae Denise Madison – Atlanta, Ga.
