“Morrison Family I am praying for strength in the days, weeks, months and years to come.
Bobby lived and loved ❤️ and enjoyed life. We all in Luxora looked forward to April and we were so happy when he would stay 2 weeks. He came in town with his winning smile and that's how he always left his hometown Luxora. We too are saddened with his home going but we are so blessed to have our memories with Bobby. He and I could ride around town listening to Bobby Bland. He loved his music. 🎵. I would made those homemade cassettes tape. We would have a ball. Ever time he left his sister house 🏠 she would have to have some work on her 🚗. She only drove her car local. Bobby would ride all in the alley with the pot holes and everywhere. People used to think Luttice was out and she would tell them that's my brother dear.
He would call me Niece. I have wrote a poem in memory of our great times we shared since 1978 until March 4, 2025. We could talk for hours on the phone. I am going to miss my phone calls and mailing newspapers and his salt seasoning to him. Well done Bobby
