“ Brittany

I know in my heart that you are doing well because you are in God's kingdom smiling big.. Where you are experiencing no more pain. No more suffering. No more wondering what's it's like to meet God's only begotten son. (Jesus). Because when you closed your eyes for the final time on this side of world and when you reopened them Jesus was there to open the pearly gates for you to enter. God's said well done my faithful servant enter into my Kingdom where you belong.. We love you and you sure will be miss by many.

Love

Brittany, on Angel's Wings you were taken away, but in our hearts you will always stay. We will hear you whisper in the tallest trees, feel your Love in the gentle breeze. And when we find we miss you the most, inside our beautiful memories we will hold you close. You are an Angel watching over us with comfort and blessing that you bring, you embrace our hearts and hold it close, forever on ANGEL'S WINGS

There's a special Angel in Heaven that is a part of me. It is not where I wanted her but where God wanted her to be. She was here but just a moment like a night time shooting star and though she is in Heaven, she isn't very far. She touched the hearts of many like only Angels can, I would've held her every minute if I'd only known God's plan. So I send this special message to the Heavens up above. Please take care of my Angel and send her all my Love.

Love Grandma Flora
