“ My uncle. I am so hurt and angered by the person who did this to you. I hurt everyday knowing your gone and no longer with me. I always will love you. I remember times we were always together on the weekends or you would check up on us at grandma Odessa house. I always seen you every Sunday. It hurts me everyday and every night and every step I take. I never thought I would sit first row at a funeral this young. I love you so much and I miss you uncle Bryon. Never forget your niece mya. I miss you and I cant wait to reunite with you when its my time. Watch over us uncle. Mya loves you forever.

“ I only met you once or twice but your son Bryce is family to me. He has a village behind him so you can rest knowing that he will be looked after. Take your rest Bryon!
