“ *To the Patterson Family*

Words can not express how deeply sadden we are to hear of BJ's going home. We see it as a life just beginning to bloom, but God saw it as a life ready to come home for his reward. Know that our prayers and thoughts will remain with the family.

“ *My wonderful husband:*

Words cannot begin to describe how I feel today and how overwhelming the idea of never seeing you again is. I planned on sharing my entire life with you, not once did I ever think I would ever have to figure out how to live my life without you here. As broken as I am, I will continue your legacy for your children and I hope you are looking down on us proud of how we have rallied around each other and no one is alone in this. We will get through this as a family and just know I love you forever, until we meet again! I love you, Burley.

To Christina and the Patterson Family

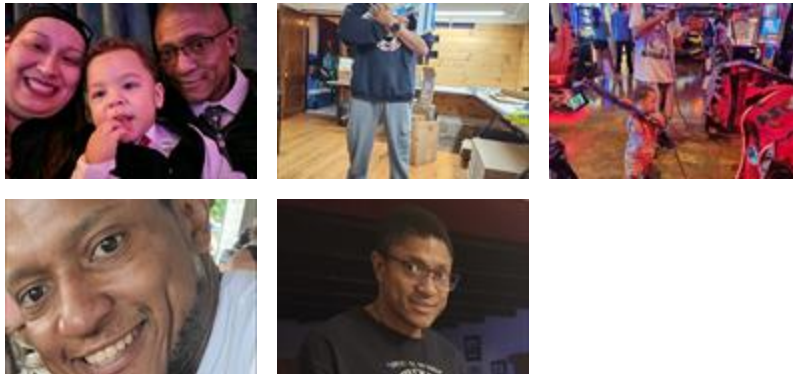

We can't truly express how we feel to learn of the sudden passing of Burley E. We don't why things happen, but the Lord felt it was time for him to receive his heavenly reward. God will give you the strength that you need at this time and in days to come. Remember the times that you had together. Prayers are continuously with the family.
