“ *Caleb was such a great kid! I met him working at the Park District and he had the biggest smile and the kindest person. My kids got to meet him and talk to him and my favorite memory is when he surprised me at church when I told him about an event that was important to me and he came and met my church family too. Caleb loved talking about his family especially his dad (RIP), his sweet mother, his big sister, and his nephew who I always joked was really like his brother. He cared so deeply for others and it's heartbreaking to lose him so young. May God bless his family and I know he's reunited with his dad now so he's okay but we're not because we're missing him so much.*
