“ As we prepare to lay you to rest my Angel. I want you to know I will always keep you in my heart. Know watch over us and we start to begin our healing process. I never would have thought you would have left is so soon. But we know you are in a better place. Say hello to the family that has gone on before us. I know you, Marcus, and O are having a party going on up there. Love you and I will see you on the other side.

“ We didn't know Carlton, but my sister and brothers have loved his father Carl (Mickey) all of our lives. Mickey was always kind to us; and, I'm certain that his son was no different to persons he would meet. The Richardson Family would like to send our deepest condolences to our cousin Mickey and his family. The pain is deep, but knowing that Carlton is with our Father in heaven means that he's happy and at peace. Much love.
