“ To the MontgomeryFamily,

While I am not an actual member of the family, "Aunt Catherine" always made me feel like I was part of the family! That is the kind of person she was. She was filled with kindness, love and generosity. When my Mom passed last year, her uplifting words of support caring, concern and love helped me through a very difficult time. My sincerest condolences to the family for the loss of Aunt Catherine! I know your pain and it's not is easy to bare. Treasure the wonderful memories and ask God to lighten your load! What a Blessing to live over 80 years of life! She is no longer in physical pain! Hallelujah! Celebrate and find comfort in that God has prepared a place for her to now rest in peace. and know that you will meet again!!

God Bless You! Thelma Wells

My telephone friend is greatly missed. We met at Step School, where she was a Head Teacher for youths who had special educational needs. Although she left and went to the Chicago Board of Education to teach we continued to talk via phone periodically. Catherine was one of the funniest people I ever met. She always kept it real. I miss my phone buddy. My heart hurts for her children, grandchildren, siblings, other family members and friends. I realize this post is late but I believe that Catherine's spirit will always be apart of all those who were blessed to have known her. God Bless 🙏

“ *Catherine Montgomery & my mom, Kattie Lee Autrey-Forkland were 1st cousin's. They had a special bond! She checked on me and my brothers in California on a regular basis. She wanted to know that kattie Lee's children were doing good after her death. For the last 20 years she did just that!*

I thank God that when she came home from the hospital that we were able to talk and I could hear her voice one more time, hear her laughter and hear her say she Loved Me!

Catherine, was a great example to us to live life to the fullest and that life is not over until God says, it's over!

Take your rest! Love, Wanda Forkland-Nelson 💔❤️
