“ *Uncle Buddy was my universe he always made me feel loved. He gave me confidence to do whatever his pep talks would always make me view situations in a different light. I will miss my step in father who was always there for me. Realizing that Uncle Buddy was the first man to tell me he loved me besides my husband. I will miss this gentle giant in my life fond memories of him carrying me on his shoulders, the laughter and smile that always greeted you first. I've lost a solid rock in my life however, I've gained a personal angel way too soon. May he rest in The presence of the lord always.*

*With all my love
