“ I met Charlene over 11 years ago when I joined UI Health. She always had a smile on her face and in her voice! She was a moment of joy for me each time we interacted. Her spirit was bright. I'm so sorry for your loss. She was an incredible woman.

“ I worked at the UIC Hospital for 5 weeks in 2020. It was through that time that I met Charlene. She was a wonderful lady. My prayers and condolences go out to her family.

I came to UIC in 2020, met Ms. Gooley, I was smitten by how soft spoken she was, a true professional. It was through her persistent reminders to our Deputy Director that afforded me a seat at the table (Supervisor). Our prayers are with her family.

“ Charline was an unmatched blend of kindness, dedication, patience, and knowledge. Working with her was always a joy; she brought reassurance, expertise, and a path forward on everything we worked on together. She will be so deeply and sincerely missed.

“ Please accept my most profound condolences. Charline was a truly magnificent woman that always made working on hospital projects seem easier than they should have been with her knowledge and professional approach. Her quick smile and bubbly attitude were extremely contagious, and I always found that after every interaction we had the weight of my day felt lighter. On a Campus of 40,000 people Charline was a true stand-out that set the standard for true ambassadors of the University. I was very blessed to have known and worked with her, and this community will be lessor in her absence.

Most Sincerely and Respectfully,
