“ *Broken Chain*

I little knew that morning God was going to call your name. In life I loved you dearly, In death I do the same.

It broke my heart to lose you, you did not go alone; for part of me went with you the day God called you home.

You left me peaceful memories, your love is still my guide and though I cannot see you, you are always by my side.

Our Chain is broken and nothing seems the same, but as God calls us one by one our chain will link again. Until then my dear friend.

“ You made me feel like we had super powers. Like our family was special & we can do anything we put our minds too. A man that didn't let you use the word can't . A man that trained his son's like a soldier. So if I ever seem cocky or come off as a overachiever! Remember I had a dad that told me I was . I love you pops.

“ My uncle
I'm going to miss my uncle. You were my other dad and everyone knew. Wow you're gone but will never be forgotten. The love you gave each and everyone of us was marvelous. No matter what time, day or night you were always the life of the party. When I sing love you I do. Who will say I'm singing it to them? I just want you to know no matter what I will always love you. I'm definitely going to miss you. I know you are looking over us. You and Grandma Sticky will bless us in every way possible.
