“ *My dad and I are so sorry we could not make it today. My most fond memory of Mr Humphrey was when he would come across the street to watch my dad BBQ and then he would take his shoes off and eat when my mom made his plate. He was the coolest. I love you all and thinking of you during this difficult time.*

“ *I have just learned of the passing of my friend Curlee and I am so very sad. But through the sorrow, we serve a God who knows all and sees all. I pray God's strength and comfort to the family. I pray that we will always know that God is your refuge.*
