“ *I didnt know Ms Washington for a long time but for the short time i did know her she was always in a very pleasent mood. She had a very pleasing personality and a great sense of humor. I think she missed her calling as a comedian. I will never forget her smile and her comical ways.*

“ *To Jason and family. I hope God will keep your family strong while you walk this new path of life....*

My favorite thing about Ms. Washington was her funny stories and the wisdom she would share. The last time I saw her, i came to her office to have lunch with her. Ms. Washington told her funny stories and I remember laughing so hard. My impression of her, was that she was a woman with a very strong personality, but kind at the same time!!! She loved work with her residents and I witness the respect they have for her... I could go on and on.... Ms. Washington will be missed by many....

I remember Cynthia coming to my house to help me cut down one of my huge plants. She even gave me the knife and told me to keep it for future cuttings. I will take one of the cuttings and name it after her. I will miss you. Rest in heaven.
