October 09, 2023 at 04:52 AM

“ *Daryl, you were more than a friend more like a brother Luv,Luv*

*God looked around his Garden and found an empty space Then He looked down upon this earth and saw your tired face He put his arms around you and lifted you to rest God's garden must be beautiful He only takes the best*

**Cedric Moore** - February 28, 2015 at 10:13 AM
