“ *Debra will be greatly missed! She was loved by many! She would tell you the truth even if you didn't want to hear it. She loved kids and making sure your hair was Tight! She was a good friend! I love and miss you! Glad you were a part of my life!*

But when she was Mad...it was over until it wasn't and then everything was back like nothing happened. She loved hard! She was one of a kind and nobody better!

“ *I will think about Deb when ever I go to and come back from dialysis. We became good friends on the bus. I would look in a metal bowl in the dining area for apples and oranges. If there was any I would give them to her or have a CNA give them to her. I hated to wake her up when she was sleeping.*

I will really miss her. I take comfort in the knowledge she is in Heaven and is no longer in pain. May our God give all Deb's family and friends comfort and strength to get through this time time of mourning.
