“ *I have never seen her not smiling. Always nice, always welcoming, always saying warm words to everyone she met. May she rest in peace.*

“ *Delilah was always kind to me since the day I started at the freshman academy last year. Then we both got moved the varsity campus and it was really nice to see a familiar face who always had a smile and asked me how I am. She was so bright and such a sweet person who I am grateful to know. I will miss our little conversations before 6th period and hearing her tell everyone to have a wonderful day as cheerfully as she could every morning. Rest easy friend.*
