“ *My family was brand new to Pilgrim and knew only the Pastor and his family. Sis. Doris ingratiated herself to us by extending an invitation to her niece Cynthia's house to spend the Easter holiday with her and her family. It was such an humbling and loving time to be accepted such as this. Not to mention there were six of us to feed! She continued to extend herself by reminding our children of the opportunities through PUSH. Thanking GOD for the favor of her kindness and friendship.*
