“ You will always be my favorite great auntie! Every time I called or saw you it always warmed my heart the last time I spoke to you on your birthday we laughed and had good conversation about everything! You always asked how was the family despite what you yourself was dealing wit! Auntie your such a strong woman and for this I know it's in my bloodline and something that I handed down to my daughter as well! You will be missed for sure! I love you from the bottom of my heart! Missing you already!!! I will see you again!

“ I will always remember the times I spent my summers visiting Aunt Dorothy when I was young. We went shopping, to Church and I always loved to hear her laugh. Rest In Peace. So sorry I will not be there, love and prayers to my Family.
