“ I worked with Dwayne. He earned my respect in the way he worked well with others and how he carried himself as a true gentleman. Always smiling, friendly he was the type of person that you wanted on your crew. Always enjoyed talking about family when we took our lunch break together. And his laugh and sense of humor was the best. He will be missed by so many and I feel privledged to have had the chance to know him. My condolences to his family.
