“ *Ofc. Ebony Roberison was a bright, sassy, feisty and giving individual. She was never afraid to tell me her opinion and on a few occasions would she share how she felt. I can hear her now. " DC Ponder, now you know I asked you...." and I sure knew what was coming after. A strong and intelligent woman. So I plant a tree in her memory and in the memory of how we met... at the Forest Preserves. Rest in peace and my condolences to all those who knew, loved and admire you.*
