“Eddie, my “Brother”, You made it home! I know why you were smiling; what other way to greet Our Lord! We were introduced to GOD by the Congregation of Pleasant Grove Baptist Church. The teachings and living examples of the Members (our Parents, Aunts, Uncles, Cousins and Friends) gave us the strength to navigate this Earthly Classroom; standing underneath God’s Wings and Amazing Grace. Thank you for being my “Brother” in Christ, and an outstanding source of inspiration. Make sure the Choir has a seat in the Front Row, Alto Section for me! :When God’s Children get together, OH WHAT A TIME....To Eddie’s Family, I am keeping you in my Prayers for Peace and Love...His Spirit is Free.....Cheryl Avis Mimms

“I am so grateful to have known Ed through Toastmasters. He was a dedicated mentor helping me up level my skills to be able to compete for our club in the international contest. He took me personally to meet another mentor that also helped me improve my speech & I was able to advance 3 levels i the competition. I am honored to have been mentored, encouraged by him & learned from him. I learned that he was a pastor when he told me during feedback of one of my speeches that what I want is to “die finished”, when I said when I die I want to be all used up. I think Ed died finished! A Blessed man who blessed many! ❤️
