“ *We all fall short when it comes to sharing our feelings or expressing our feelings but it's never too late, I would like to take this time and thank you Ed (Stem) for the love that you showed and shared with my Mother, I wished you two would have met 30 years ago, you made my mother very happy and in turn we all were happy for the both of you. You will truly be missed. Rest well my friend and may God keep you close.*

*Thank you*
