“ *I knew Elaine from our many years at AT&T. We met in 1988 and have been friends since then. I will always remember her as simply a genuinely good person. Many people can be good, be nice, but good and nice were the essence of Elaine. That's who she was and that is what I so admired about her.*  
*I will miss the sweet sound of her voice, her laughter, and of course the annual birthday card from her.*  
*So sad that she is gone from us, but I am sure she is just fine in her new home.*  
*Love you Elaine!*
