“ *Pam, I'm so very glad I got to share time and space with you and Emery. One thing I can say is you were truly loved by Emery and you truly loved him. I could see it as you gazed into his eyes with your Pam like playfulness. Emery loved it. A truly love is hard to find, it's like searching for a rare diamond and you for a precious Chocolate Diamond named Emery. I will miss his presence at family functions but will remember brightness of his eye and the beauty of his smile. The name Emery is of Latin origin and means "loving" His name fits him perfectly*

Aunt Dell, although we are not able to be there physically, please know that our love and our prayers are with you today, and will continue to be with you, as you go through this trying time in your life. “ My husband Emery was the most loving, caring, and beautiful inside and out person I know. I am truly missing him. He told me several times daily how much he loved me and the boys. I told him at his bed side how I didn't think I could do it without him but I will say only God knows how strong a person can be cause if you had asked me I would say please Lord let him stay. I cant do it I love you "EM" and will continue to push all the boys to become a great man as you were. ♡♡♡♡
