“ To the Duncan Family,

We, the members of the task force of the Reclaiming the African American Heritage of Southern Illinois Project, were saddened to learn of the passing of your brother, father, and grandfather, Emmanuel. Just a little over a month ago, one of our members, Walter Ray, got to interview Mr. Duncan in his home. We are so thankful that we had that opportunity and got to meet with him before his passing. He was truly a great and wonderful man, kind and gentle. From his upbringing in Colp to his founding of the Gamma Upsilon chapter of the Kappa Alpha Psi fraternity at SIU to his service in the army and at the Illinois State Employment Office in Chicago, he lived a full and rich life and made a difference for many. He was loyal to his family, his church, his friends and community. He will be greatly missed. He will also be long remembered. We're glad that we can play a small role in making sure that his memory will live on in Southern Illinois. You have our deepest sympathies at this difficult time.

Sincerely,

*The Reclaiming the African American Heritage of Southern Illinois
Task Force*
