“ *To The Family of Earnest Lee Lewis,  
While there is no way I can feel your pain, I do feel your loss. I have know Earnest for many years from our days growing up in Refugio, TX where we developed a close friendship. It was just in the last two years that we reconnected. During this time we had almost weekly conversations and prayer over the phone recounting our lives together growing up in Refugio. I am so thankful and grateful that we were able to reconnect even for a short time. I will truly miss those special times.*

*I wish you peace to bring comfort, courage to face the days ahead and loving memories to forever hold in your hearts. My thoughts and prayers will be of you in the coming days.*

*Deepest Heartfelt Sympathy,*
