“ Thank you brother for watching over your nephew DeAngelo. Felton was cool charismatic, caring and crazy all in one. It was because of you and Ed that my son Even wanted to go to college. Everyone knows the relationship you and nephew DeAngelo had. I love you Felton. God please bless Dezria, Madison and Mason. Help them to make it thru these tumultuous times, and please God provide them with what ever help they may need.. If you need me Dez , I'm here. God Bless

*Felton your cool and charismatic way of being you, is just who you were. Funny, cool, caring and crazy. We were step brother and sister but you really were a real brother. You showed that by how you watched over my son DeAngelo.*

*It was you and Edwin that gave him his 1st taste of college by taking him to Grambling at just 14yrs old. The best time any young man would have had with his uncles and I don't know what yall did cause it made him want to go to college even more. It was you and Dezria that showed my son the true meaning of what it is to be an Uncle and an Aunt. God bless Dezria, Madison and Mason . From the bottom of my heart,, Thank you, Thank you, Thank you❤️*

*Felton, your smooth and charming personality will never be forgotten. Thank you for watching out for DeAngelo. Had it not been for you and Edwin, I don't know where my son would be. DeAngelo spoke so highly of you and he always reminisce about when you and Ed took him to Grambling, my son says that with sheer gratitude every time he thinks about it. Felton and Dezria have played extremely important parts of my son's life in helping him to make the right decisions. You both always spoke truth to him. Thank you Felton for being more than an uncle to my son, and thank you Dez for being more than an aunt. I love you Felt❤️*

“ In Memory of Felton Holmes

Thanksgiving and Christmas are right around the corner...taking me back to reminisce on all the holidays we, the family, spent together at home in Dermott, Ark when we were younger. Cherish the time you're able to spend with family...live, love and laugh like it's your last chance. Smile, hug, kiss one another often and never tire of hearing and saying, "I love you"!! All the memories that we all have laughed over are keeping me sad and teary eyed right now as I grieve the loss of my dear cousin. 💔 This, I 'm sure, is true as well for the countless number of other relatives and friends who will miss and cherish having had him brighten their lives.

He was an Omega man, a "Q" (WOOF, WOOF!) and he loved his frat. He worked hard, played hard, and loved his family. We loved him, and we are missing you already. Please kiss my momma for me and tell everybody else I said hi, I love and miss them all! 💔😭🕊  
#Gone2Soon #RIPCuz 💜💛
