“ *I'm not going to be able to make the funeral, but my heart goes out to the family because I know he loved his family dearly!!! I have been a friend of Puncho for 20 plus years. Something in my spirit told me to call him and do my annual check in with my friend earlier that Saturday afternoon, not knowing that was going to my last check in forever! It was something special about that call that day that I will forever cherish!!! He had the spotlight that day, he floated that phone call with updates about his kids & his special lady (His mom). To his daughter please finish school & keep going hard. Your daddy was soooo proud to give me a mouthful about you honey! To his oldest son that next song you make it's going to be off the charts, he was so proud to say you're doing your thing too!!! To his youngest son, who he said reminds him so much of him I hate you are going to miss seeing how amazing of a Dad he can be later in life to you. To his Mom I know it is hard losing another child, but please stay strong love! You have two angels now watching over you! I'm going to miss his bubbly spirit and amazing smile!!! You will be missed!!!*

-Your forever friend Tasha J.
