“ I am the sister-in-law to Fred. I remember when I was dating Fred's brother, Keith Harris. I would see his brother as a CTA bus driver before he retired. Later he became a CTA bus supervisor. Then I thought , wow no one can start anything with me on the bus, I will report that person. He would see me on the bus and I didn't recognize him all the time. He would speak and I would not realize that was my husband's brother. I told myself wow this is a small world!
