“ Dear Family,

I consider it an honor to have known Deacon Freddie Neal Sr., he could work figures in his head before I could input them to a calculator.

I had the pleasure of working with him in the finance room at the New Macedonia M. B. Church. He was a dedicated Deacon, came in working day one never a bench member. We would be late coming out of the finance room due to the deep conversations, he really would make you look at how you viewed issues and check yourself. He will be missed! Love, First Lady Vicki Hicks.
