“ *Sending heartfelt condolences of love & light to The Howard Family. Mr Howard was definitely a kind, gentle, & passionate God fearing man who loved The Lord & his family. He never met a stranger! I was blessed to have know him & his immediate family since the age of 14. I was also a classmate & good friend of his only son Wendell who was just like his dad whom I love miss him dearly. He was my brother & he became the Best Friend to my only brother. I became sisters with his daughters Regina, Edwina, Marty, & Audri. Each one are beautiful. Mrs Catherine Howard was also a Phenomenal & Beautiful woman who loved her family. I want the family to know I love each of them & keep your faith that God still sits on the throne. He hasn't forgotten you all & he's upholding you with his Mighty hand. May the Lord thy God continue healing & strengthening each you. Mr. Howard may you continue resting in God's Perfect Peace*

“ I had the pleasure of meeting Mr. Howard when I was very young I got arrested doing things I shouldn't have been doing Long story short I was broke and needed legal representation some told Mr. Howard was well known and the best so my family put up the money & retained him for me on a promise I would pay the remaining balance truth is there was many times I couldn't pay but Mr. Howard said Mrs. Mccomb I understand how it is to not have it you just continue to come to court and I'll be there every time he even offered my kids father a Job at a ranch to make a better life for himself but he declined but one thing was clear to me it was never about money with Mr. Howard he really wanted to help his people and I'll never forget him I cried when I saw this obituary this he was a man with a small stature but he had the Biggest Heart and was like dynamite in the courtroom Thank you for Everything Mr. Howard your service wasn't in vain I never got arrested again ❤️🙏❤️❤️

member of The Original 40 Club of Chicago and paved the way for
the continuation of social engagement among African American
men in Chicago. His professional and family lives were admired.

“ I am Associate Judge Stanley L Hill of the Circuit Court of Cook County. To Attorney Howard's family and to alo who honor my departed Alpha Phi Alpha Fraternity brother and brilliant attorney with whom I tried together with criminal cases.

George was a talented criminal defense attorney, who stood beside clients accused of everything from minor offenses to murder, and mounted the most effective defense of his clients possible no matter how heinous the crime. His work enforced a person's constitutional right to a fair trial. It was one of the more thankless jobs, because often observers chastised criminal defense lawyers for representing who some called "society's villains."

But in the view of the defense lawyer that's missing the point. There is enjoyment in doing work because in addition to making sure the scales of justice are balanced; criminal defense attorneys find satisfaction in tackling cases with high stakes. Its an all or nothing game. It's winning or losing. There is pressure, excitement and responsibility un being a criminal Defendant's only protector and support. Nothing gets your blood going more than a case with high stakes.

George was my friend and colleague through all the years when our work brought us together into daily association. A honored, responsible member of our noble profession, he gave of himself to preservation of human rights and liberties and was ever zealous to take a case through to its ultimate conclusion the cause of those who needed experienced and wise counsel.

I feel a keen sense of loss in his passing. My deepest sympathy and love to his family. May his soul rest in peace.

I could not agree more. It was an inspiration to watch him at work. He was also a resource. As a young lawyer you could always approach him for guidance and advise. The legal community has lost another giant.
