“ *To the family and friends, esp my Corliss C/O '82 classmates:*

I apologize for the lateness of this post, just recently becoming aware of this platform... my condolences on your loss. I have fond memories of our classmate Greg being the comical, kindhearted, happy-go-lucky kind of guy with the pretty eyes. He was always fun to be around, always had a kind word and a joke. Although we had lost contact after high school, as a great majority of us had, until Facebook, I am sure that he will be truly missed by many.

“ My deepest condolences to Greg’s family. I am a 106th Street, Fernwood Park, and Corliss High School buddy of Greg’s. We played football together, often walking to and from high school and football practice together. And when Greg “borrowed” the family car and later got his own, Greg, Ronnie Hampton, Darrell Sharp, and I were often crammed in it, cruising, laughing, yelling out the windows, having fun like high school boys do! Greg was one of our Big Guys, and his heart was 100 times bigger! Nothing but the fondest memories of Greg! Lifting the family in prayer and encouraging you all to look to God for comfort, in the time of this passing storm.

Greg Harrington,
Dito what Mark said and some. We were the Rat Pack, Greg, Mark, Ron and me. Yes, Greg's father drove us to and from home from football practice. But many people saw us while memories were made walking the 103rd Street corridor to and from Corliss High singing 'My Girl' by the Temptations and 'Here We Come' by the Monkeys while crossing legs. Also we swam at the 'Pump' where Greg was a shark in water. I was so glad to see him and hug him at Ron's Tribute last year. He taught me how to be kind, loving, supportive and a true friend. Well, they are there, together with other Trojans walking around in heaven. Greg see you again some day. Family and friends: He is in God's eternal hands and I pray God's perfect peace be upon you during this time.

My deepest apologies as well as condolences to the Harrington family. Greg was a very good special friend of mine❤️...I first met him as he was doing a security detail for a property I lived on, and he was also handling their K-9 dogs also. We kept in touch while he was doing restaurant gigs, currency gigs, special detail gigs, and he also took me to the gun store because I knew he knew everything about weapons that I needed to know. I'm going to miss you my friend, you were the best. You were loved, but God loved you more❤️❤️❤️

“ Dear Harrington Family, my prayers and thoughts are with you, though we don't always understand God's will, we trust and know that HE knows what is best, when He decided to call another one of his angels home to receive his reward..

Even though, its been almost 40 years, I still remember Greg for his kind demeanor, being a gentleman and those beautiful eyes...

John 16:22 “And ye now therefore have sorrow: but I will see you again, and your heart shall rejoice, and your joy no man taketh from you.”

Well Done Greg, until we see each other again.

To the Harrington Family you have my heartfelt condolences. I was Greg's co-worker for over 20 years. He was always pleasant and a joy to be around. He took pride and everything he did. He will be sorely missed. To be absent from the body is to be in the presence of the Lord. Rest well my friend.
