“ *Mr. Gus West Spells*

“ *The world has lost a light. My Cousin Gus has always been an inspiration. He was a great guy with a big heart! He was the apple of his mother's eyes. His mother always encouraged him to be his best and reach his fullest potential. Gus accepted the challenge, even when it was not wise to do so. Gus occasionally stepped on the feet of others. One day he stepped on the feet of this big guy. The guy got really mad and said some mean things. Gus challenged him. He told him to bring it on. Don't let these crutches stop you. I thought I would die from laughter. You would have to know Gus to picture how hilarious that scene was. Gus boldness could make you laugh. Our families spent a lot of time together. I have so many fun memories from our childhood. I will truly miss him.*

For every joy that passes, something beautiful remains. A life ends, but leaves behind beautiful memories of days gone by.

God's blessings and peace. Love Always, Lorsten Smith-Johnson

“ *I went to school with Gus and even with his disability he never seemed disabled. He smiled all of the time and those mental pictures you can never erase. I had not seen him since school but I am sure he touched many, many lives in his few years on this earth.*

“ To one of the most fun loving guy I know. I've known Gus all my life. Even though we're family and church members, we was also classmates. I can truly say, Gus never allowed his disability to get him down. He insisted that you treat him like everyone else. We loved Gus, but our God loved him more. I'm just thankful that God allowed us to have Gus pass thru our lives. May God continues to strengthen his family in this time. Love, Lula Doris Fluker Clayton.

“ *My childhood is full of the memories of Gus, Kenneth, and William. They laughed at everything and was always making fun of the simple things in life. I miss those days when we were all together on the farm. I am sad that my cousin will not be here. I am sad I won't here your laughter again. To your family, I am sorry for your loss. May God give you comfort.*
