“ *These pictures were taken in 1991 at a Special Intensive Supervision Unit (SISU) picnic at Grant Park. A few of us hung around and kept the party going.*

As you can see we were a tight bunch. The stories we could share...

My deepest sympathies go out to the family. The loss of your loved one is also felt deeply by his “other” family. His IDOC family. His loyalty, dedication, and sense of brotherhood extended to all of us.

His zest for life, commitment to family, and the sound of his memorable voice will be missed.

Rest easy Roberson and save a seat at the table for the rest of us. Until we meet again...💙

“ We're going to miss you buddy. This picture was from 1993. Guy is in the back row, first guy on the right. This was at a birthday party we held at our office for one of our co-workers in the Special Intensive Supervision Unit.

Guy was the first person I met in Corrections. He was my instructor at the training academy at St Xavier College when I started in the juvenile division.

What I always remembered about him was his voice. So smooth and rich! I could listen to him for hours. Until we meet again my friend.
