“ Gwendolyn or “Gwenie”, as I affectionately called her, have been friends, shall I say, forever. We met as 6th graders and remained friends throughout our lives. Consequently, through life events, births, deaths, marriage,, careers and more we have shared. Her last words to me were, “I love you and now you can carry me in your heart always.” I will miss your voice and how we always talked about the memories we shared. I love you Gwenie and I will carry you in my heart always. Rest Now in Sleep and Peace, until we meet again my friend. ❤️
