“Gone O so soon. We just spoke and laughed on your way out the church doors on Christmas Eve. You will truly be missed, you were my alteration person, arts and crafts person, line dance conversation, my idea person for costumes for the cherubs, you said you were willing to learn the lil computer tricks I knew and wanted that cheat sheet to try it on your own, you were so many things around Damascus and most of all my focus person as I sanged in the choir. Just a great encourager all around to a young woman like me. I thank God for us crossing paths through our Christian service and love. Karen & Kenney and of course Sis. Geraldine Foster I am praying for your comfort and strength.
